SPECIAL HARVEST

Our most unique Extra Virgin Olive Oil from the earliest olives of the harvest

- ARUGULA
- FRESHLY CUT GRASS
- TOMATO PLANT
- ARTICHOKE

ALLEGRO Special Harvest Extra Virgin Olive Oil is an intense green fruity olive oil with <0,3% of acidity. It is known for its harmonious olfactory and complex tasting notes, such as the herbaceous taste, raw artichoke, freshly cut grass, tomato plant and arugula notes. In addition, its ardor allows it to qualify it as intense green fruitiness with its peppery notes at the end of the mouth.

This olive oil comes from green olives harvested at the beginning of the season, with a more intense flavour. Highly recommended for dressing grilled meats, intense cheeses or salads. Therefore, a drizzle of olive oil will enhance your cooking with ease.

SUPERIOR CATEGORY OLIVE OIL OBTAINED DIRECTLY FROM OLIVES AND SOLELY BY MECHANICAL MEANS.
INGREDIENTS: EXTRA VIRGIN OLIVE OIL.

Flavored extra virgin olive oils

Seasonings prepared from extra virgin olive oil and natural garlic, oregano, rosemary, red chilli, black and white pepper.
